- Bachelor(Bachelor of Computer Engineering)=> Kathmandu Engineering College (2019-24)
- +2(Science Stream) => Xavier Internation College (2017-19)
- Schooling(SLC) => Paragon Public School (2017)

SKILL SET

- Flutter
- Firebase
- Rest api integration
- FCM
- Google map integration
- Basic python, C, C++, Js

EXPERIENCE

Organization : **Nandi technology**
Job Title : **Jr. Flutter Developer**
Duration : **April 2021- August 2021**

I worked as a junior flutter developer here and built ERP school management app. My central role was to connect rest API in the app.

Organization : **Annapurna Cloud Technology**
Job Title : **Mid. Flutter Developer**
Duration : **August 2021- present**

I am the only flutter developer in the team handling all the mobile app development on my own and built an E-commerce app containing user, admin, and driver apps named FMC Cart.

I also build POS mobile app for client from Chitwan.

I have also built CRM (client-relation-management) app for organization.

Organization : **Clamphook Academy**
Job Title : **Freelance Flutter Developer**
Duration : **April 2023 - June 2023**

I worked as a freelance, solve various type of critical bugs, connected zoom sdk. My main role was smoothening the flow of app
